EDITORIAL

Phew, what a bonkers start to the year we had, what with raging pandemics, mass lawlessness, and a few of the great porn stars of the last decade announcing their final runs. It's enough to put any chap in a spin; still, we're determined to pluck up on a strong note, and how better than with some emanate beauties. Amy Green and Charlie Rose are out to seduce with bells on, Wanda's got her whoppers out again, and Alice is busy shimmering up and down the pole of life (take that as you will). So with all these stonking babes to cast your eyes over, Club aims to provide some stable fanfare, in an effort to soothe the mind and anything else that happens to stir.

Dear The Lounge,

My friend Andrea's been a lesbian ever since she came back from college. She's tried it on with me dozens of times (usually when she's drunk), but I've never given her anything more than a peck on the cheek, although I actually find her advances quite flattering. Well, we all like to feel wanted, don't we?

Actually, I play up to it a little – I love to see her suffer. But just lately I've started to feel a little bit guilty about this, so much so that I decided to make it up to her on her birthday in the best possible way.

I told Andrea I'd arranged a surprise party for her at my place for around eight, "So show up and looked surprised," I instructed.

When Andrea arrived a bit later though she really did have a surprise waiting for her – there was only me.

"Where is everyone?" she asked, as I handed her a glass of champagne.

"They're not turning up until ten, so you'll have to get out of here by then. I just thought you'd like your present now," I explained.

"What is it?" she asked.

"Me," I told her and gave her a long lingering kiss on the lips.

We were both dressed in our best evening gowns and looking genuinely stunning with it. My figure was somewhat more streamlined than Andrea's because I didn't have a stitch on underneath, as Andrea's wandering fingers soon discovered for themselves.

"Come this way," I said as I led her into the bedroom. There, lying on the bed, was an enormous double-ended dildo I'd bought especially, and her eyes lit up when she saw it.

> **"I decided to just go for it and closed my mouth over her puffy entrance..."**

I told Andrea that we didn't have long, so we fell onto the bed and stripped each other out of our dresses in a matter of seconds. Andrea got me into a 69 and dropped her mouth onto my virgin slot while pushing her arse back into my face.

I studied her pussy lips for a few seconds before working up the courage to try them for myself. It had been all well and good when it had been just a fantasy, but the reality of it was suddenly staring me in the face and waiting for my tongue. I felt Andrea's part my lips and delve inside, so I decided to just go for it and closed my mouth over her puffy entrance and gave it a tentative lick.

Her slot tasted salty and sweet all at once, and I lapped deeper as I slowly grew accustomed to the taste. Andrea gyrated her hole against my mouth as we got more and more carried away, and she sucked on my clit like a limpet. I felt myself throb inside her mouth, and my heart began to thrash inside my chest as I grew in horn.

I lapped my tongue up between her legs and massaged her lips with my mouth as I ate her from pussy to arsehole, and she did the same. She moaned into my pussy and slipped her tongue between my buttocks, then rubbed the tip of the dildo against my cunt and slotted it home.

The dildo stretched my hole to perfection, and I felt the first twinges of orgasm as Andrea began to fuck me with determined strokes.

After a couple of thrusts she clambered off of my face and lay across the bed from me with her legs entwined with mine. She pulled her pussy onto the other end of the dildo and fed it up inside herself until her wet buttocks pressed against mine.

"Come on, fuck me!" she demanded, thrusting back against the dildo, driving it hard into both of our cunts at the same time.

We gasped in unison and began thrusting and clinging to each other with our legs as our pussies mashed in the middle.

"I've always wanted to fuck you," Andrea whimpered, as she drove into me again.

"I know, me too," I admitted and suddenly I climaxed all over the long rubber pole. I howled in ecstasy as my cunt gripped onto it hard, and I squeezed every last drop of pleasure out of my orgasm as I could manage.

Andrea was thrashing back against me hard, and she suddenly orgasmed a few seconds after me, splashing her juices all over my legs and onto my belly until we were well and truly drenched in sex.

We cleaned ourselves up, and I pushed her out of the door and told her not to come back until ten, but Andrea wouldn't leave without a promise that this was just a brief cessation in bedroom antics – and that we'd carry on where we left off right after the party.

I promised we would, adding that this was going to be the shortest party in history.

Amy Green has a libido that would put Casanova to shame.

"Oh fuck, I'm crazy for sex!" she confesses to us. "I think about it all the time. They say men get dozens of erections per day – well, I get wet every 20 minutes or so. I once got fired from a job for spending too much time in the toilets – I was in there frigging my pussy all the time. I'm a sex addict, but I don't see it as a problem."

Problem! Quite the opposite, we think your every mans's dream Amy!

So, Petra, do you hate being objectified for having big, natural, suckable, fuckable, squeezable breasts?

"Hell no!" says the 23-year-old. "These tits are the best things ever to happen to me. They get me plenty of attention, they get me modelling work, and they make sure that men spend some time on me rather than just wanting a quick suck and fuck. My nipples are sensitive, and men can't resist giving them a suck. I can cum from that sometimes if you do it right."

And as for titfucks...

"You know, they can be tricky sometimes. If the dick is too big, it hits my chin, if it's too small, it keeps slipping out. But either way, it's fun. As long as I get a sticky chin, it's all worthwhile!"

The Nest

DVD £23.99

Feathers are about to fall, and I have a sneaking suspicion their not the angel variety. Emily (Sophie Rundle) seemingly looks like she has it all, a stunning home, loving husband, open water swimming and a job she actually enjoys (crumbs!). Still, there is a chasm in her life, her inability to have a child. Then everything seems to roll into place when she meets the troubled 18-year-old Kaya (Mirren Mack) and surrogacy if offered. But in Nicola Taylor's five-part saucepan boiler, people aren't what they seem, and you can easily pose the question of who is using whom? Husband Dan's (Martin Compston) nose is itching, and being from a similar background to Kaya, he smells a rat and starts digging into Kaya's past. The Nest does an excellent job of questioning moral reasoning, how far will someone go to get what they want? The ethical aspects of buying a baby, the self-made man with material comfort looking down on others from his own roots, and if someone has done wrong in their past does that make them inherently evil? There's a lot going on here in this emotionally charged series, that does well to hide it's plot bombs, all topped off with exceptional acting from Rundle, Compston and Mack. There's even a little bit of humour thrown in too, via the third episode, and Rundle's well-known face morphs.

Code 404 – Aim publicity

DVD £12.99

It looks like A.I has even infiltrated the Police Force, with this brand new cop comedy from writer Daniel Peak and director Al Campbell. Following the death of John Major (Daniel Mays) in action, DI Roy Carver (Stephen Graham) does his best to get on with his life, and Major's missus (Anna Maxwell-Martin). However, in a twist of technological God playing, Major is resurrected via artificial intelligence, the downside being that like a dodgy computer he can be switched off if he doesn't work correctly. A straightforward double-act comedy series with Graham and May coming up trumps. There are a couple of missed beats in the opening episode, but the energy of the series will have you coming back for more, and it soon picks up in the second episode.

The Lighthouse

DVD £9.99 Blue Ray £14.99

Willem Defoe and Robert Patterson, bring a sublime pinch of salt to Robert Eggers monochrome nightmare, as two 19th century lighthouse keepers revel in a toxic madness. The dialogue is a homage to maritime history, and sea lore rules the waves, as Tom Wake (Defoe) and Ephraim Winslow (Patterson) interlock in a superior and subordinate battle. Wake, once an able seaman is now the ageing keeper, solely charged with the lighthouse, while Winslow is charged with emptying chamber pots, gathering firewood and various other menial tasks, that creates a dynamic of resentment. But there is something thrilling edging its way to the surface, a mysterious death, secrets, lunacy and visions of a mermaid all build together to create Hades on a rock.

Charlie Rose is one of the stars of British glamour, with her very own Onlyfans page, where you can see her banging tits and gorgeous curves with not a scrap of clothing on. And having met her in the flesh, she's just as delightful in real life. So, is there any point to this waffle? No, there isn't. Samsung Galaxy Z Flip

www.samung.com

When I initially read about the Galaxy Z Flip, I had a sudden feeling of Deja Vu, not because I'd already read about this particular model, but because it has been less than a year since Samsung launched its first folding handset. Given that the Z Flip folds horizontally and not vertically, you could say it was a different kettle of fish. Using Samsung's new Ultra-Thin Glass display on a screen that measures 6.7inches, it looks the part. But it's when you start to play with the hideaway hinge that it comes into its element, with hands-free selfies and videos. It also has high quilty 4K video recording and a Hyperlapse mode for those extra long exposure night shots we all seem so fond of these days. A cracking bit of kit all round.

Sarcos Guardian XO

www.sarcos.com

If you've ever watched Iron Man and cast your mind to the future of exoskeletal human transition, you may, like us, be surprised to learn that the future is already here. Sarcos Robotics Guardian XO, is an AI-assisted exoskeleton giving superhuman strength to manual workers, and aiding people with disabilities. Working via battery operation, the suit helps movement and therefore boosts productivity while reducing the potential of occupational injury. This could be a game-changer in industries like construction, warehouse distribution and manufacturing. The operator's strength can be increased by up to 20x, with a maximum lift load of 90kg. We know you're not going to buy one, the price is eyewatering, but we couldn't resist a waffle about it.

Phonesoap 3.0

www.amazon.co.uk

Recently marked out as the third hand you never wash, our phones which seem to be permanently attached to our faces and hands, these days are one of the germiest items we own, with up to 18x more bacteria lurking on it than a public toilet (I guess it's the equivalent to sliding your face across a service station toilet floor). So why not, when you put your phone on charge sanitize it at the same time? Well, that's where Phonesoap 3.0 comes in, using UV to kill reportedly 99.9 per cent of bacteria. It fits all phone sizes, comes with two charging ports, making it universal, and it has an audio amplifier that allows you to hear alarms and such. With five colours to choose from, there's something for everybody.

Alice ♣

PHOTOS: TWISTYS

Getting down with Alice in a Club is one wild ride that we're not sure we can hold on too. The photographs make the rest of the evening look like a dive into a kinky version of Hades. Underworld or not, this Alice sure is the queen of all she surveys here.

"I once grabbed a guy by his dick and dragged him behind that cage up there. He certainly wasn't complaining as he entered my wet snatch from behind. He fucked me rotten while I held onto the bars. Honestly, I don't think anybody noticed."

Crumbs, maybe it is all about gilded cages...

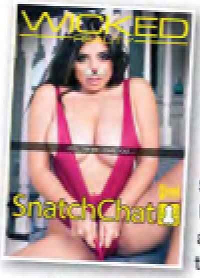
Snatch Chat

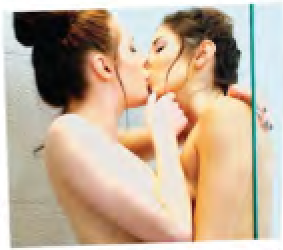
Wicked Pictures



Starring: Carolina Cortez, Ella Knox, Skylar Snow, Katya Rodriguez, Jade Kush, Sofie Marie.

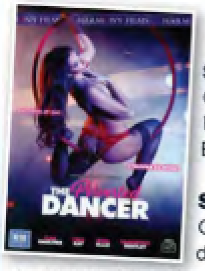
Synopsis: "The hot new cell phone app Snatch Chat has taken Social Media to a whole new level! All the college kids are going WILD, challenging each other to do the craziest and sexiest dares of their lives, and Los Scandalous has acquired the exclusive cell phone videos! From sex with total strangers, to sex with your best friend's mom, even sex with an on duty cop - there is no limit to what these teens will do for the SnatchChat Dare Challenge!"
Courtesy of Wicked

Verdict: For those of you who are a bit too long in the tooth to be familiar with Snapchat, it's an app (something you do on your phone, dear!) that lets you send pictures to your mates which, well, they can't keep. In other words, it was designed for Millennial types to send dirty pictures of themselves to each other without having to worry that the piccies would end up plastered all over the web. Nifty, eh? It's gone a bit more mainstream since then, but this flick is based squarely on the Snapchat premise, with all the splosher in it taking part in the 'Snatch Chat Dare Challenge' in which they get up to all sorts of filthy acts and share them with their mates. Skyler's challenge is to find and fuck a black guy, and Challenge Anneka-style off she runs to find one – and soon finds a likely candidate who's more than happy to play along. The camerawork's (deliberately?) a bit shonky, but there's no denying the intensity of the action, especially when he splashes off all over her face. Carolina, meanwhile, has to screw a cop, which she accomplishes with some ease once she flashes him her hairy snizz. Some sizzling lesbo fun follows as Katya has to get it on with her best friend (big-boobed Ella). There's plenty more to come, with cute Asian Jade and MILF Sofie completing the set.



The Perverted Dancer

Harmony

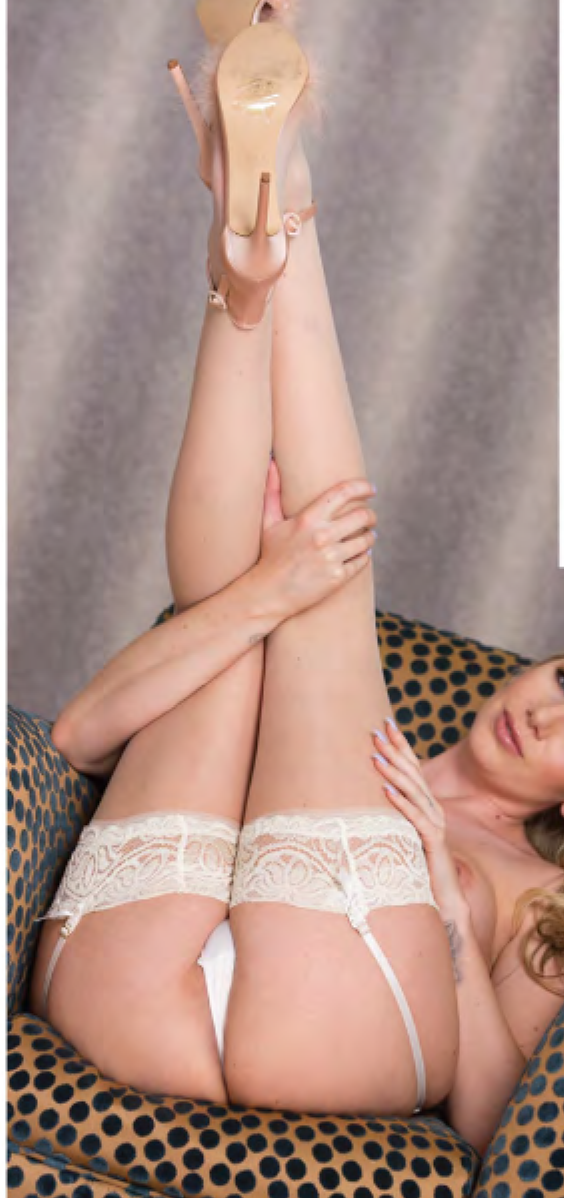


Starring: Clea Gaultier, Tina Kay, Rina Ellis and Samantha Bentley.

Synopsis: "Clea Gaultier is a ballet dancer by day and a burlesque dancer by night. Leading two separate lives professionally also rubs off on her sexual desires and fantasies."
Courtesy of Harmony Vision

Verdict: Culture fans will be delighted that this film kicks off with Clea Gaultier en pointe, practising her ballet moves, but things quickly get a bit seedier as she heads off to her local burlesque club, where it turns out she's equally adept at the feather dance. Still, audience members, Tina and Nick Moreno have got other plans, and soon Clea's lured into a threesome, chowing down on Nick's fat prick while Tina makes encouraging noises and plays with her pussy. Said pussy is soon making Nick feel at home, but once his length is sufficiently slicked Tina (being Tina) wastes little time in wedging it up her jacksie for rampant back-scuttling. The jammy stud then plunders the pair of them before splashing off all over Clea's snizz – and Tina really goes to town on the mess. After that it's time for George and Rina, again replete with burlesque cossie, to have a very juicy-sounding bunk-up by the club bar, and it's a corker, too, with the raven-haired harlot getting a good work-out before George coats her tongue. From there on in it's basically all Clea, the French flamper taking a double dicking and a solo shafting before a brief knee-trembler in the shower with Sam Bentley leads us into Clea's final tryst. No more ballet, mind!

PHOTOS: BBMEDIA



Danielle Maye has been a staple of Club for some time now, with various Paul Raymond Awards under her belt, and a stint as Club Readers Girl, there not much Dani hasn't done.

"I surprise myself sometimes with all the stuff I've done, and I still get excited by all shoots and filming yet to come. I bless you could say...I mean in what other job do you have multiple orgasms a day?"

I guess it's not exactly something you'd find listed down the jobcentre.

Wanda

PHOTOS: DDF

Wanda we can say without fear of contradiction – is a right kinky madam, with beautifully full jugs. We just couldn't stop imagining licking and sucking on those large-nosed puppies. Then, when we wore out that fantasy, we proceeded to imagine tonguing the heck out of her pussy. At which point Wanda would beg for a hard meaty pounding...

Is anyone else having this fantasy?

SWINGING DOORS

My husband and I live in a respectable little village just outside Cambridge. Nothing ever happens here, and that's the way we like it, but then a couple moved in next door and that all changed.

They were like everyone else at first; quiet, polite and friendly. My husband, Roy, got on well with Bill and played some golf with him from time to time. Then one night Roy came home ashen and told me that Bill had suggested the four of us had a little party. Apparently, they were swingers. Roy was incensed and told me he wanted nothing more to do with them, and I agreed, for the sake of a quiet house, but to be honest, I hadn't felt so intrigued by anything in years.

I continued to speak to Sandra and Bill, but made sure I only did this when Roy was out. I fantasised about sneaking over to theirs and the three of us fucking all day long, and then last month I got my chance. Roy went away on business, and I was left all by myself. For three nights, I tried but failed, to pluck up the courage to go over there, and it was only the last night that I managed to overcome my nerves. I took a bottle of wine next door and Sandra invited me in. Bill was home too, though he was in the back bedroom watching the telly and it took a few glasses before I could say what I'd come to say.

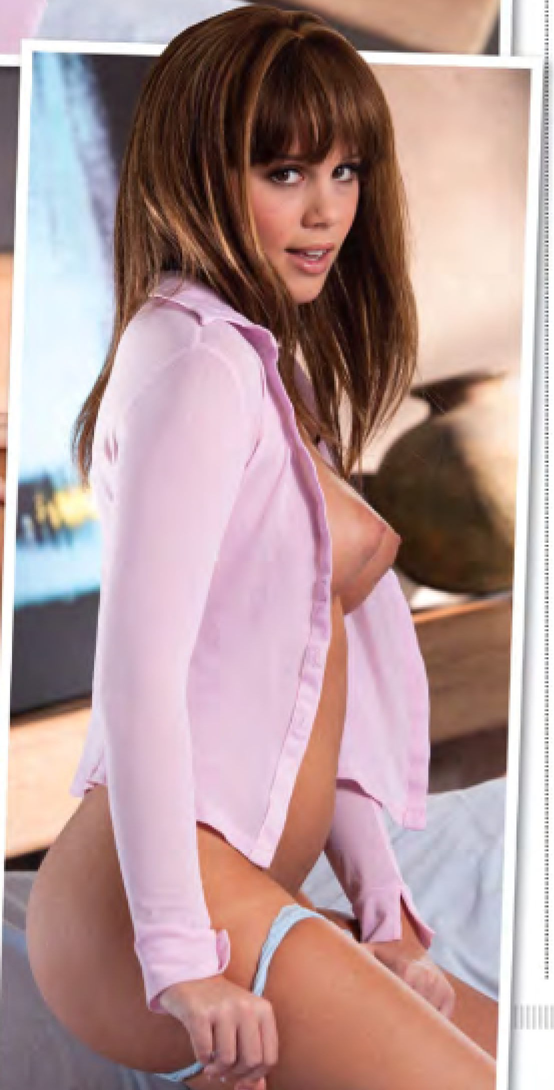
"I'm sorry about Roy," I told her. "He's very narrow-minded." Sandra said she understood and was about to say something else when I told her, "I'm not, though."

"You're not what?"

"I'm not narrow-minded." My heart skipped a beat when I said these words and I could see in her eyes that she knew what I was getting at straight away. Sandra smiled, poured me another glass of wine and led me by the hand upstairs. Bill was watching a porno in there, and my heart pounded as I wondered what I'd let myself in for. Sandra sat me on the bed opposite her husband and pushed up my skirt. I had stockings and suspenders on, but no panties and Sandra told me I had a lovely-looking cunt.

"Good enough to eat," she smiled, pulling me forward onto her mouth. This wasn't what I'd been expecting at all. I'd thought Sandra and I would simply swap partners, but suddenly I found myself on my back being licked out by another woman. I couldn't say anything as I'd instigated matters, but I was a little uncomfortable with what was happening at first. I looked over at Bill, hoping that perhaps he'd come over and suck on my pussy next, but he just stared at us with his hard cock in his hand.

"Bill likes to watch me with other women," Sandra told me, pulling at my swollen pussy flaps with her lips. This whole predicament was so alien to me that I couldn't help but get turned-on. Sandra pushed my legs back further and lapped at my pink slot like a thirsty hound.



> "She sucked at my innards and rubbed her face all over my flesh, coating her face with my nectar…"

I was shivering all over, and my pussy twitched as she tongued me deep, but then I learned to relax. Sandra really knew what she was doing, and she seemed to relish licking my sex. She sucked at my innards and rubbed her face all over my flesh, coating her face with my nectar, until the twitch between my legs had grown to a spasm.

I felt the whole of my crotch contort as she thrust her tongue into me again and again, and I knew it was just a matter of time before I came on her face.

Sandra stuffed two fingers inside me and jabbed my wet snatch with them again and again. She rubbed my throbbing clit with her thumb and spread my legs as wide as they would go so that I was as open and vulnerable to her as I could possibly be.

"Tell me what you want me to do?" Sandra said, finger-fucking me while I cried out with lust.

"Lick my bottom," I shuddered, then added, "And make Bill cum in my mouth."

Bill shuffled forward, stepped up onto the bed and straddled me so that his cock was at eye-level. He thrust himself into my face, and I opened my mouth to receive his sticky excitement as Sandra pressed her tongue inside my quivering ring. Any restraint I'd managed before deserted me completely and I cried out as an enormous filthy orgasm ripped through my body. Just as I was gasping, Bill suddenly shot a great wad of spunk into my mouth and I stuck out my tongue to catch every last drop of delicious cum. He milked himself all over my lips, and I licked them clean as his wife rimmed my quivering arsehole, resulting in the orgasm of my life.

Roy came back the next day and asked if I'd missed him while he'd been away. Of course, I told him I had – just for the sake of a quiet house. – *Juliet, Cambridgeshire.*

SINKING THOSE BALLS

I was at a posh party at a big house just recently when I stumbled across the snooker room. I didn't even know whose party it was (a friend of a friend of a friend's I think) but I started playing with my friend Katrina anyway and hoped whoever owned the table wouldn't mind.

After a while, a couple of guys came in and

> **"Sandra stuffed two fingers inside me and jabbed my wet snatch with them."**

challenged us to a match. We told them we weren't very good but played anyway and absolutely annihilated them.

It was great, me and Katrina licked them 3/0, and they couldn't seem to pot a thing. Then one of the guys, Chris, suggested we played for stakes, as this might help them find their game. I asked what stakes, as I didn't have any money, so he said,

"How about clothes? Ever played strip snooker?"

Katrina wasn't interested, but I was all for it. After all, we'd kicked their arses four times already, one more game and they'd have to dance around in the buff for us, so I took them on myself.

This game didn't quite go according to plan, and before half the balls were sunk, I was the one down to my underwear. When I missed the next shot, Bryan demanded my bra, so I unclipped it and covered myself up as I let it fall to the floor.

"That's not in the deal, let's see them," Bryan insist, so I dropped my arms and showed them my D-cups. Chris went to touch them, but I pulled away and told him that that definitely wasn't part of the bet.

"Okay, let's up the stakes then. Instead of your panties, you let us suck your tits when you miss the next shot." I was so incensed that he automatically assumed I'd miss the next shot that I agreed.

Unfortunately, I did, and the guys pawed all over my breasts, stroking my pillows and nibbling my nipples as they grew hard in their mouths.

Katrina looked on in disgust, not believing what I was doing, so I told her a bet was a bet and to lock the door. She did – on the way out.

The next shot I missed, I had to take my panties off and finger-fuck my pussy in front of them. It wasn't in the deal, but when Chris licked up my leg towards my pussy, I couldn't help but open up a little wider and let his tongue run over my lips.

"I'll tell you what, you sink the rest of the balls and you can sink your balls in me," I told them, breathless with excitement. They had four colours left, and they made short work of them easily as I rubbed my pussy against the corner pocket.

I was so wet and ready for action that I would've fucked them no matter what. In fact, Bryan had his jeans off, and his cock in my mouth before Chris even lined up for the black.

"This dirty girl's gagging for it," he said as I climbed up onto the table and wiggled my arse invitingly at Chris.

"Oh yeah, fuck me. Both of you fuck me," I said like a rampant slut. I'd never been with two guys before, and it had always been my ultimate fantasy. Suddenly, here I was, in the snooker room of a stranger's party, getting ready to get fucked both ways, and I was intoxicated with lust.

Chris put his cue down and stroked my peaches all over. He ran his fingers up between my buttocks then over my crack before finally feeding them into my warmth. My pussy was so wet that the insides of my thighs were sticky with cream as Chris plunged his digits inside me while I wolfed down his mate's cock.

Chris had strong hands, and he splayed my thighs apart and worked two thick fingers in and out of my wet sex before slipping his tongue into my cunt. I broke off from Bryan's to wail as he slurped on my pussy, then went back to feeding his cock into my mouth.

Chris's meat tasted deliciously salty, and I ran my tongue all over it and lapped at his balls as he pulled at my stiff little buds. I really wanted him to spunk in my mouth as I was getting fucked, so I started beating his tool into my face with both hands as Chris climbed up onto the table behind me and slipped his trousers down.

I turned around, just for the briefest of moments to look at Chris's cock and saw that he was enormously hard, then I went back to jerking Bryan off between my rosy red lips. He stroked it between my legs a couple of times, then pushed it into my hole, cramming my womb full of cock.

"Oh, God!" I moaned as I beat Bryan into my mouth even faster. Chris drew out, then stroked back inside, emptying, then filling me up again, and every thrust seemed to stretch my cunt just that little bit wider.

Bryan held my head and thrust his dick into my mouth at his own tempo as Chris thrust into my pussy. I was being fucked at both ends – and I was loving it. My pussy was throbbing so hard that I could hardly stay on my knees and all of a sudden, an enormous burst of orgasm shot through my body, blowing my mind to bits.

I cried into Bryan's cock as the convulsions gripped me, and before I could suck in another breath, salty sperm was squirting against the roof of my mouth. I closed my lips around Bryan's dick and milked his balls for everything they were worth, then sighed with complete contentment as his spunk slid down my gullet.

"Turn over," Chris suddenly cough, so I spun onto my back and cradled my tits as he dashed my naked body with hot spunk. I rubbed his mess into my tits and licked it off my fingers, and he lobbed it all over me, and soon the three of us were utterly spent.

"Good game guys," I moaned as I rubbed their sperm into my tits and chin. "How about a rematch?" The guys were interested, but they needed an extended break before their balls were on the table again.

Lucie, Islington.

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

THE BOTTOM LINE

I've heard so many naff pick-up lines in my time that I don't even bother being polite any more. "Is Heaven missing an angel?" "You look like a film star" "Do you believe in love at first sight?"

Fuck all that. How about a bit of honesty, guys? That's what a girl really wants, and I'll tell you what, the truth works wonders.

I work as a barmaid in a pub, so as you can imagine, I've put up with more than my fair share of it. The other week this lad came in, and I could see straight away that he was aiming to talk to me, so I readied a suitably frosty response for when he did.

"You know what?" he grinned and took a big sip of his beer. "I'd love to fuck you." I was absolutely stunned that a complete stranger could say such a thing to me, and for a moment, I was lost for words.

"I beg your pardon?"

"You heard," he said, and looked about the place. It was a mid-afternoon, and we were all but empty. "Look, I'm not stopping so why waste time? Either you're up for it, or you're not. If not, no problem, just say no. If you are, then great, let's go for it. You don't look like you've got much of a rush on at the moment."

"Here? Now?"

"Why not? Close up for ten minutes and let's do it."

"But I don't even know you," I said.

"You think you'll know me if we sit here and bullshit each other for two hours? My name's John, that's all you need to know."

It took my breath away how easy and confident he was, and I had to admire the balls on this guy – especially when they were draped over my chin ten minutes later.

I'd locked the door when our only other customer had left and had John's cock in my mouth with barely another word passing between us. He held the back of my head with his strong hands and stroked his hard cock in and out of my face like a man in a hurry. I ran my tongue all over the underside of his thick meaty dick and stroked his G-spot with my fingers as he twitched against the roof of my mouth.

After a few minutes, John pulled me to my feet and turned me around.

"I think I'm going to fuck you in the arse," he told me, pinching my buttocks open with his thumbs and running his tongue up my hot crease. I shuddered as he did this and bent forward to open myself up for his face.

I love being rimmed, but there's not too many guys who are ready to do it. John tongued my arsehole nice and deep as he pumped three fingers into my steaming pussy, then he got to his feet and rubbed the head of his prick against my bum.

"I bottled out before," he confessed. "What I wanted to say was that I'd love to fuck you in the arse," he said, as his long prick flinched against my tight hole.

"Are you still talking?" I asked, and pushed back against his meat stick. My ring stretched open to admit his slippery bell-end and his shaft surged into me until he was pressed hard against my cheeks.

"How does that feel?" he asked, stroking my buttocks all over as he thrust in and out of me.

"Fantastic!" I gasped, holding onto the bar rail as he fucked my arsehole again and again. I stroked myself between the legs and felt John's balls as they slapped against my fingers and, before five minutes were out, I was coming all over my thighs.

> "My ring stretched open to admit his slippery bell-end, and his shaft surged into me."

John continued to hammer me hard, then pulled into me and grunted. "I'm gonna come." I pulled off of him and dropped to my knees just as he blasted a great wad into my face. I pulled him into my mouth and milked his cock as he emptied the contents of his balls down my throat (I didn't want it going all over the bar, otherwise I would've had to clean it).

I unlocked the door again and gave him a pint on the house, then John said he had a train to catch. "Call in again any time," I told him and gave him a little wave. John said he would... if only for the conversation.

Alice, Darlington.

SPHINCTER SPINSTER

Never judge a book by its cover. That's what they say. I never really knew what this meant until I got to know Diana. We'd been in the same classes since our first year at Uni' but we'd never really spoken. Diana was a quiet, shy and plain kind of girl who kept herself to herself most of the time.

She had a few female friends, I suppose, but I never saw her speaking to any blokes unless it concerned course work. In fact, if it hadn't been for her dyeing her hair jet-black I don't think anyone would've noticed her at all.

The guys all reckoned she was a dyke – or at least in need of a charity fuck – and challenged me to go to it. I accepted the challenge, though I couldn't imagine getting hold of her, even if she was straight. She didn't seem the type.

It took a few weeks of me chatting to her whenever I saw her before she responded in any sort of meaningful way, and slowly I gained her confidence. We got together at lunch and even shared a couple of pints in the student union, though she never wanted to talk about sex.

In the end, I realised my mates must've been right, but then one day she asked if I wanted to come over to her place for dinner. I didn't really, but didn't want to hurt her feelings by turning her down either.

That evening I arrived at eight, and she invited me in. She seemed all excited that

I'd showed up and dived on me as soon as we had the door shut. To say I was surprised would've been an understatement.

"What about dinner?" I asked, absolutely overwhelmed.

"Forget it. If you're hungry, you can eat my pussy," she told me as she kissed and stroked me all over. Diana had my fly open and my cock out, and she was frantically pulling at it until I was solid in her dainty little hands. She dropped to her knees and stuffed my prick inside her mouth and slobbered all up and down the length of my pole as she pulled my trousers down around my ankles.

We collapsed onto the floor and tore at each other clothes. Diana couldn't get naked fast enough, and I saw that she had a really tidy little body once she was in the pink. Her tits were nice firm handfuls, and her pussy was smoothly shaven. I opened her legs and ran my tongue all over her silky quim as she panted and pressed back against my face.

"That's really good," gasped, then really surprised me by adding, "finger my bum." I wondered if I'd heard her right, but didn't bother to check. I rubbed a fingertip against her tight little knot, then pressed it inside until I had it all the way inside her ring up to the knuckle. Diana screeched and bucked her hips, slapping her little cold buttocks against the floor again and again as I pumped my fat digit in and out of her arse.

I moved my tongue down from her pussy and licked around her peach as she moaned in response. I ran the very tip over her tiny puckered entrance, then forced it and she hooked her legs over my back and ground her holes all over my face.

> **"I rubbed a fingertip against her tight little knot, then pressed it inside…"**

"Put your cock in there," she pleaded, so I spun her onto her front and greased up my cock in her pussy before centring against her arsehole. Diana pushed back impatiently, swallowing up my swollen head and impaling herself on my stiff dick. I gripped her by the hips and gently worked myself backwards and forwards until my balls pressed against her cunt.

"Oh, that feels so big," she groaned, pushing back hard against me and clenching the base of my cock with her ring. I withdrew halfway, then thrust back in. Diana howled when I did this and bounced back against me harder and harder, urging me to stuff her again. I did just that and fucked her little arse off, slapping her cheeks and reaching underneath to rub her clit as I did so.

"Yes, yes, yes," she shouted over again, then told me to shoot all over her. "Cum on my tits, cum on my arse, cum on my face. Make me lovely and sticky," she whimpered, sweating and trembling against me.

I fucked her for several more thrusts then pulled out and lobbed my milky load all over her back. She turned over as I was shooting and I was able to finish the rest all over her lovely pert tits. Diana rubbed it in and looked very pleased with herself indeed.

"My mates all thought you were a lesbian," I told her as I caught my breath.

"Your mates are all a load of ugly bastards. To be honest, I only fucked you because you seemed a bit desperate for it," she smiled.

Peter, Bristol.

Hungary might not be good at football any more, but their best export now is porn stars like Roxanne.

"The European Union has been the best thing for us," she says. "It means people are willing to look at Hungary, at Czech, at other places for porn stars. It's not just big blonde American girls who get all the dick now," laughs Roxanne.

That's true. Variety is the spice of life.

"Well, Paprika is the spice of Hungary," snorts Roxanne down the line. It seems that porn stars can cross over...

What our well-placed moles are telling us this month...

DOWN THE WIRE

SLUG-DUHHH!

Flying hot dogs with the force to detach a man's retina, how long have those buns been lying around for? Kansas City mascot Sluggerrr has found himself in some hot wiener water, after launching a four and a half ounce hot dog into the crowd, allegedly hitting fan John Coomer in the face. Coomer took his complaint up with the Missouri Supreme Court with his re-attached retinas on the prize of $25,000 compensation. The jury's eyes were dry, and the complaint was soon overruled..

BELLE OF THE BALL!

55-year-old Curtis J. Hutchings put his best frock on and carefully made himself up, which we imagine went down well when he ended up in jail. Hutchings was spotted in the car park of Belleville East High School, Illinois by students who believed he was involved in lewd conduct. On approaching Hutchings' vehicle, certain products in plain view confirmed the lewd conduct. Hutchings was promptly arrested and charged with one count of public indecency.

Diamonds or Pearls?

AMERICAN FLY!

An autistic gentleman with a fetish for rolling around in cow manure has been transferred from a British mental institution to prison. David Truscott, 44, has served three jail sentences as a result of his bizarre tastes. Reportedly, Truscott repeatedly stripped and violated farmer, Clive Ross' muck spreader. As a method of prevention Ross cleaned the spreader, which was met with extreme retaliation when Truscott set fire to the farm. Truscott is currently being held at Exeter prison and is due to be sentenced next year. He'll be off the cowpat pies for a while.
